

BREAK FOR THE BORDER

Atholl Glens is located on the Atholl Estates, at the foot of the Cairngorms, stretching across 145,000 acres of protected Perthshire wilderness, where the sheep produce succulent, organic meat. Order the Easter Lamb Box, which includes leg steaks, loin chops and a leg roast, for £39 including delivery. Easter weekend activities include a children's tour of nearby Blair Castle, a treasure hunt and a cake-decorating workshop (March 22). Lodges on the estate can be hired for short breaks (01796-481482; atholl-estates.co.uk).
